Hazard Pictograms

Hazard Statements	In contact with water releases flammable gases which may ignite spontaneously. Catches fire spontaneously if exposed to air.
Precautionary Statements	Keep away from any possible contact with water, because of violent reaction and possible flash fire. Handle under inert gas. Protect from moisture. Wear protective gloves / protective clothing / eye protection / face protection. Brush off loose particles from skin. Immerse in cool water/wrap in wet bandages. In case of fire: Evacuate area.
