

Material description: BUTANONE tech.
CAS No: 78-93-3

Supplied as:

Product code	Description
CHE1448	BUTANONE tech. 5L.
CHE1450	BUTANONE tech. 25L.

Specification

Parameter	Units	Minimum value	Maximum value	Typical value	Notes
Assay	%	99			

Revision date: 22/06/2021

Issue date: 17/09/2024

Specification correct at time of issue but is subject to change without notice. It is the users responsibility to verify the material is suitable for the required application.
