

Material description: DI(DODECANOYL) PEROXIDE
CAS No: 105-74-8

Supplied as: Product code Description
CHE1818 DI(DODECANOYL) PEROXIDE 25g.

Specification

Parameter	Units	Minimum value	Maximum value	Typical value	Notes
Assay	%	96.000000			

Revision date: 23/11/2021

Issue date: 17/09/2024

Specification correct at time of issue but is subject to change without notice. It is the users responsibility to verify the material is suitable for the required application.
