

**SCIENTIFIC  
LABORATORY  
SUPPLIES**

Material description: IRON (III) SULPHATE tech.

CAS No: 10028-22-5

*Supplied as:* Product code Description  
CHE2008 IRON (III) SULPHATE tech. 500g.

## Specification

Parameter	Units	Minimum value	Maximum value	Typical value	Notes
Assay	%	78.0	82.0		

Revision date: 15/12/2020

Issue date: 17/09/2024

Specification correct at time of issue but is subject to change without notice. It is the users responsibility to verify the material is suitable for the required application.
