

Material description: SODIUM CARBONATE ANHYDROUS (soda ash)
CAS No: 497-19-8

Supplied as: Product code Description
CHE3292 SODIUM CARBONATE ANHYDROUS (soda ash) 1Kg.
CHE3294 SODIUM CARBONATE ANHYDROUS (soda ash) 250g.

Specification

Parameter	Units	Minimum value	Maximum value	Typical value	Notes
Purity	%	99.00			
Pouring Density	g/L	480	600		

Revision date: 20/10/2022 Issue date: 17/09/2024

Specification correct at time of issue but is subject to change without notice. It is the users responsibility to verify the material is suitable for the required application.
